

FOR IMMEDIATE RELEASE

# Christian Offenhammer joins Parva Consulting as Partner

**Zurich, Switzerland – September 3, 2024** - Parva Consulting, a pan-European consultancy, is pleased to announce the appointment of Dr. Christian Offenhammer as its new partner to its expanding team. In June 2024, Parva has enhanced its presence in Europe by opening a new office in Zurich. Today, Christian joins Markus Stöckli, Partner, and team, to serve the needs of the Swiss market.

With over 15 years of experience in the financial services industry, Dr. Offenhammer brings a wealth of knowledge in finance and controlling, including financial analytics, digitalisation and reporting, with a proven track record of driving his clients' financial success. His leadership skills, along with his commitment to excellence and innovation, will be instrumental in driving Parva Consulting's growth and success in the Swiss market and the DACH region.

Dr. Christian Offenhammer said "I am honored to take on this new role and am excited to work with such a talented team. I look forward to further driving our strategy of tailor-made consulting solutions and contributing to the ongoing success of Parva Consulting in the Swiss market."

Markus Stöckli, Partner: «I am eager to work with Christian. His reputation for excellence and innovative thinking will be a tremendous asset to our team in Switzerland. His skillset in finance and controlling adds perfectly to our existing consulting portfolio.'»

Alessandro Viviani, Partner and founder of Parva Consulting, added: «As we continue to navigate in complex and evolving markets, Christian's leadership will be instrumental in helping us seize new opportunities and achieve our ambitious goals in Europe.»

## About Parva Consulting

*Founded in 2005, Parva Consulting is a niche pan-European management consulting firm specialising in financial services. With a history of steady growth, the group now boasts a team of close to 100 professionals across four offices in Europe: Dublin, Luxembourg, Milan and Zurich. Our approach is hands-on: we work closely with our customers to identify their unique challenges and implement customised solutions that lead to real change. We are evolving with the financial services landscape, including the growing influence of AI; Leveraging our expertise in areas such as product development, post-merger integration, process re-design, organizational modelling, regulatory compliance, project management, and business transformation, we guide our clients through these new realities, helping them navigate and thrive.*
